In the matter of the petition of Henry Schmincke et.al. for a Right of Way to construct a Street Rail Road over and on the public highway to Kasson

Comes now Simon Hartig and presents to the Board the following remonstrance, towit:

To the Honorable Board of Commissioners of Vanderburgh County, State of Indiana.

Gentlemen. As it has come to our knowledge that there is a petition put before your honorable body asking for a Right of Way or franchise to lay a street car track along a road commonly called the New Harmony road, from the city of Evansville to Kasson in German Township in the county and state aforesaid, therefore, we the undersigned resident-freholders of said county of Vanderburgh respectfully petition your honorable Board not to grant the aforesaid franchise, for the following reason.

1st. The aforesaid road is one of the best and most traveled roads leading to the city of Evansville, and the grading and macadamizing of said road has cost the tax payers of Vanderburgh county a big sum of money.

2nd The road is too narrow to permit a street car track thereon. Therefore it would be a great hinderance to the travel.

3rd In 1882 the citizens living beyond Kasson have paid over $5.000. out of their pockets towards the building of the New Harmony and Cynthiana road beyond Kasson, and if the right of way would be granted it would be of great inconvenience to them, and we dont think it is good policy to benefit few to injure many. We leave the matter with your honorable Board for a carefull investigation.

Signed Simon Hartig and 188 others.

Board of Commissioners, Vanderburgh County,

On motion the board defered action on the remonstrance.

Board of Commissioners, Vanderburgh County,

Monday Morning Feby 7. 1898.

The Board of Commissioners of the County of Vanderburgh met in their room this day in regular session according to law when present Joseph Gibson. John G. Paine and William Elliott. members composing said Board. Louis N. Legler County Auditor and Charles G. Covert Sheriff.

The minutes were read and approved.

The Board examined the Register of Orders drawn by the County Auditor during the month of January 1898. and compared the same with the allowances made by the proper authorities. and the Board having found said orders to be correct in all respects do now on motion approve the same.

The Board having instructed the President of the Board to prepare a communication to Mr. Charles L. Wedding as Chairman of the called meeting of the Business Mens Asct. Manufacturers Asct. and Tax payers League and Citizens in general in regard to a Work House.

Comes now Joseph Gibson President of the Board, and submits the following letter, which on motion was approved, and a copy ordered to be sent to Charles L. Wedding. Chairman of said meeting.

Evansville Ind February 7th 1898.

Mr. Chas. L. Wedding.

Chairman of the called meeting of the Business Mens. Association - Manufacturers Association - Tax payers League and Citizens in general.

Dear Sir:-

The Board of Commissioners of Vanderburgh County has instructed me to communicate to you the result of their investigation in regard to a Work House. The Board mailed question blanks (a copy of which is enclosed) to one hundred and fifty cities and towns, and received replies from about one hundred. The great majority of the cities and towns have no work house. After a careful consideration of the replies received by the Board. the Board is convinced that it would not be advisable to erect a work house. The expense of

maintaining a properly conducted workhouse would be greater than the total expense occasioned by prisoners as they are now managed, say nothing of the first cost of building and grounds. which in the opinion of the Board would not be less than $75,000.00.

The Board finds that a Workhouse can only be self sustaining when the prisoners are engaged in manufacturing and the products placed on the market in competition with goods manufactured by free labor, and to this system the present Board of Commissioners is unalterably opposed, and would never consent, even if the laws of the State would sanction it.

Only a few of the work houses which are operated under this system are self sustaining. The Mayor of one city says. "We find it much cheaper to send our workhouse prisoners to the Toledo Work House and pay 40¢ per day for their Keeping, than to operate our own workhouse."

Even the breaking of rock on a large scale by convicts, would be detrimental to the public good. as there are in this County about two hundred men with families who earn their living in the winter months by breaking rock.

It is the unanimous opinion of the Board that the erection and operation of a workhouse would cause additional expense to the taxpayers of Vanderburgh County. for this and other reasons they are opposed to the measure.

Very. Respectfully.

Joseph Gibson.
President of the Board.

In the matter of the Petition of the Carpenter Creek Ditch, Perry Township Vanderburgh County. State of Indiana. } Petition filed and order to Viewers.

Comes Peter Maier and S. R. Hornbrook, attorneys and present the petition of the petitioners in the Carpenter Creek Ditch matter. from which it appears that a petition has heretofore been filed before the Board of County Commissioners Vanderburgh County, and assessment made by the viewers and affirmed by the reviewers of the said Carpenter Creek Ditch in Perry Township in compliance with the request as prayed for in said petition and as established by the survey made.

That the L & N. Railroad Company and Louis Schmadel remonstrated against the assessments made against them respectively and the granting of said petition, and upon the 30th day of March 1895. took an appeal from the order of said Board of Commissioners to the Vanderburgh Circuit Court for the reasons that said ditch was not of public utility and that their respective property was not benefitted to the extent of the assessments made.

That upon the 26th day of March 1897. said appeal came on to be heard and the said Circuit Court upon hearing the same sustained said remonstrance and released said L & N. Railroad Co. and from all assessments and said Louis Schmadel from his assessment excepting in the sum of $55.00. and the said Circuit Court also found that the said Ditch was of public utility and for the benefit of the general health and ordered that the Board of County Commissioners should proceed to establish said ditch according th law.

That by reason of the floods over the territory covered by said ditch, and by reason of the release of said

To the Honorable Board of Commissioners.

The undersigned petitioners would respectfully show that heretofore this Honorable Board established a ditch known as Carpenter Creek Ditch for which a petition had been filed. and had assessments made by viewers and confirmed by reviewers, and the ditch was ordered to be made as prayed for in said petition and established by the survey made. whereupon the L & N Railroad Co. and Louis Schmadel remonstrated against the assessment made and the granting of said petition and took an appeal to the Vanderburgh Circuit Court for the reasons that the said ditch was not of public utility and that their respective properties were not benefitted to the extent of the assessments made; that the said Vanderburgh Circuit Court upon the hearing of said cause sustained said remonstrants, and released said L. & N. Railroad Co. from all assessments and said Louis. Schmadel from his assessments excepting in the sum of $55.00 and that said Circuit Court also found that said ditch was of public utility and for the benefit of the public health and ordered that the Board of County Commissioners should proceed to establish said ditch according to law.

The undersigned would further show that nothing has been done in the premises to carry out the judgement of the Court, and that by reason of the floods over the territory covered by said ditch and by reason of the

Board of Commissioners
of Vanderburgh County:

Gentlemen:

On the 19th day of February 1898. Otto Baumgarten of this County. while driving along the public highway leading from the city of Evansville past St Joseph's cemetery in said County with a light spring wagon, in passing over a bridge a short distance beyond the cemetery from the City of Evansville. being the second bridge from said cemetery. was precipitated through said bridge by reason of the rotten and insecure condition of said bridge The wagon and mules fell through the bridge. the bridge breaking down upon the side towards the city.

He was without fault or negligence on his part and he was ignorant of the defective condition of the bridge at the time the accident occurred; and the accident was wholly due to the rotten and insecure and defective condition of the bridge.

The road is a public highway and it is the duty of the County to Keep the bridge in repair. If this had been done the accident would not have occurred.

He was badly injured, and his foot sprained: his injury has been exceedingly painful and will be of a serious nature and will not be such as to enable him to do work for a long time, if ever. That he has suffered great agony of body and mind: that his injuries are of a permanent and lasting character and that he is permanently disabled from work. He has been in the hospital and had medical attention

The motion to dismiss remonstrance against granting a liquor license to Henry Schneider coming on to be heard, and the Board being fully advised in the premises, on motion the remonstrance was dismissed, for the reason that the remonstrance was not filed within the time fixed by Statute.

Comes now the said Henry Schneider by counsel and it appearing by the affidavit of Charles F. Gould that notice had been given by publication in the daily Bulletin of Evansville in said County on the 22d day of March 1898 and on each week thereafter for three successive weeks prior to the May Term 1898, that said Henry Schneider would apply for license to sell intoxicating liquors at his place of business, lot 3, block 1 Suglefield, Scott Township, Vanderburgh County Indiana, that the matter of the said application does not specifically describe the room in which the said Henry Schneider desires to sell such liquor, nor gives the exact location of the same: and the said Court further finds that there is no house upon the lot named in said application.

Evansville Ind. May 5th 1898.

To the Honorable, the Board of County Commissioners,

Gentlemen:

For a number of years past, the Clerk of this County has been keeping the wills filed and probated, and important bonds and other papers in his office in the safe as a matter of precaution to prevent the same from being mislaid

stolen or destroyed in case of fire. These papers have accumulated from year to year until there is not sufficient space in said iron safe to accomodate any papers of that character filed in the future. Besides this, there are a number of important books and records that ought to be kept in said safe. I am informed that a fire proof metal case with safety locks of sufficient size and dimensions to accomodate all these papers for the present and for many years to come can be purchased from the St. Louis Art Metalic Company from the sum of $140 to $150.

The undersigned believe that the importance of said papers is such that it would be wise and judicious to make such purchase, and the same is recommended by the Judge of the Vanderburgh Circuit Court, the Probate Commissioner, and by myself.

Respectfully Submitted
Chas. Sihler Clerk.

We Hereby recommend and approve the foregoing

The minutes were read and approved.

In the matter of the claim of Etta Megrew for damages in the opening of the Wedeking Road in Pigeon Tp.

It appearing that upon the 17th day of August. 1897. John Brownlee. as attorney for Etta Megrew. filed his proposition of compromise before the said Board. Upon examination and consideration of the same the Board finds that upon the 17th day of November 1896. Ernst. Wedeking and others filed a petition in said Court for a public highway in Pigeon township. That at the May Term 1897. of said Court an order was made opening and establishing said highway. That said highway passes along and through lot fifty one (51) of Richards Subdivision of lots number ten (10) eleven (11) twelve (12) thirteen (13) fourteen (14) and thirty (30) of Maxwells Subdivision of a part of section seventeen

(17), township six (6) south, range ten (10) west in the County of Vanderburgh and State of Indiana; That said Etta Megrew is the owner of the undivided one-half of said tract of land, that George A. Cunningham is her co-tenant and the owner of the other half. That the said Etta Megrew is not named in the petition or notice and had no notice of the said proceeding for the opening of said highway until after the final order opening the same had been made. That upon the 26th day of July 1897. Edward Males, trustee of Pigeon township and Thomas C. Ruston, supervisor of road district No. 1. of Pigeon township threatened to remove the fence of the property heretofore described as belonging to the said Etta Megrew and George A. Cunningham, and that upon the 26th day of July 1897. she filed in the Circuit Court her complaint against Edward Males, trustee of Pigeon township, and Thomas C. Ruston supervisor of road district No1. of Pigeon township, asking an injunction against them enjoining the opening of said road, and that upon the 26th day of July 1897. said court did grant a temporary restraining order.

That her co-tenant George A. Cunningham remonstrated against the opening of said highway and the reviewers assessed damages to his one-half interest in said real estate at the sum of two hundred and fifty dollars ($250) It is therefore proposed by the board that they pay to John Brownlee, as attorney for Etta Megrew, the sum of two hundred dollars ($200) upon the execution by the said Etta Megrew of a warranty deed in favor of Vanderburgh County to the undivided one-half of a strip of land twenty-five (25) feet wide off of the west side of lot number fifty one (51) Richards Subdivision of lots number ten (10), eleven (11), twelve (12) thirteen (13), fourteen (14), and thirty (30) of Maxwell's Subdivision of a part of section seventeen (17), township six (6) south, range ten (10) west, being the same ground covered by part of the public highway called the Wedeking Road, established by the Board of Commissioners of Vanderburgh county at their May term 1897.

Comes said John Brownlee as attorney for Etta Megrew, and delivers to the said Board of Commissioners a warranty deed signed by Etta Megrew and D. P. Megrew, to the strip of land above described.

It is therefore ordered, adjudged and decreed that

2d May Term, 1896, Thursday the 26 Day of May A. D. 1898.

Louis H. Legler. Auditor of said County, execute and deliver to John Brownlee, attorney for Etta Megrew a warrant upon the Treasurer of Vanderburgh County in the sum of two hundred dollars ($200.00) in consideration of the above mentioned transfer.

On motion the Board adjourned sine die.

In the matter of
the Fuquay Road
in Knight Township }

To the Honorable Board of Commissioners
of Vanderburgh County.

Mattie Keith, one of the parties named in the petition as a land owner, over and across whose land said proposed highway will extend, respectfully remonstrates against the granting and opening of said proposed highway for the reason that the same is not of public utility. That there is a highway parallel to said proposed highway and only one-fourth of a mile from it and extending the full length thereof.

That Albert Collins owns no land over which said proposed highway will pass.

That said proposed highway as laid out will cost the County far in excess of the value of the advantages to be derived therefrom.

That your remonstrant will be greatly damaged by the opening of said highway, towit: in the sum of One hundred and fifty ($150.00) Dollars.

Wherefore she remonstrates against the granting and opening such highway.

Mattie Keith.

That no such person as Albert Collins owns any land. in the vicinity of said proposed highway: but that Alfred Collins owns land over which said proposed highway will pass, and his name does not appear either in said petition or in the notice for the same.

Wherefore your remonstrant respectfully asks that the Board dismiss the petition filed herein

To the Honrable Board of Commissioners
of Vanderburgh County Indiana.

We the undersigned, appointed by this Court at its 2d June Term 1898. to view a ditch described in the certified copy of a petition and order of Court for a ditch by Robert J. Stroud and others, handed us by the Auditor, would represent that according to said order, we on the day named therein towit: the 6th day of July 1898. in company with Fred R. Ruder a civil engineer, made an accurate survey of the line of said proposed ditch from its source to its outlet. We caused stakes to be set along said line each one hundred feet numbering down stream. The route of the proposed ditch is described as follows:- Commencing at a point 14½ feet North and 60 feet East of the South West corner of the South east Quarter of Section 2. Township 8 South of Range 11. Township 8. South of Range 11 west. thence S. 75° 30' W. 600 feet thence S. 76° W. 500 feet. thence S. 87° W. 160. feet. thence N. 53° 20' W. 140 feet thence N 75° 45' W. 270 feet thence N 89° 45' W. 340 feet. thence N. 86° 45 W 140 feet. thence N. 88° W. 806 feet. thence West 1134 feet, thence N 80°-30 W. 843 feet. thence N. 79° W. 647 feet. thence crossing the Hoppe Road at Station 80+75. 50 feet north of the S W. corner of Section 3. T. 8

Range 11 West. thence N. 71° W 220 feet. thence N 78° 15' W. 482 feet. thence N. 85° W. 118 feet thence N. 59° W 295. feet, thence N. 46° 15' W. 250 feet. thence N. 46° W. 243 feet. thence N. 66° 15' W. 266 feet. thence N. 74° 45' W. 346 feet thence N. 50° 30' W. 100 feet. thence N. 37° 15 W. 1550 feet thence N. 44° 30' W. 284 feet, thence N. 52° W. 180 feet thence N. 87° 30 W. 202 feet to the fork of the Long Pond Ditch and Long Pond branch which is Station 128+16 thence following the original survey of Long Pond Ditch to the outlet which is Station 227.

The line as above described passes through the lands and along the lines of the following persons and corporations J. W. Anthony heirs. Mary A. Fruit. Robt. J. Stroud. M. and J. Kamphmikle. E. L. Hausman. J. E. Ensle. Peter Marx. Dyer and Helle. Azro Dyer 6, and A. Struck, M. Grote. M Kolb, W. Seibert Buente and Korsmeyer. J. J. Hendricks N. M. Logsdon and Dr. T. Sawyer.

We have made a careful examination of the premises liable to be benefitted by the construction of said proposed ditch. We also apportioned and set apart to each parcel of land, a share of said work in proportion to the benefits received, and also of damages sustained, all of which will fully appear by a tabular statement in this report.

We find that the proposed work will be of great public benefit and utility: afford drainage for public highways and improve the general health in that neighborhood, and that the cost of construction of same will be less than the benefits to be derived thereby.

We submit a map of the line of the proposed Ditch, marked "Exhibit A." and a profile showing depth of cut, width at top and base, and number of cubic yards in each one hundred feet marked "Exhibit B." which are made a part of this report.

The following apportionment shows who are benefitted. Price thereof per cubic yard and total estimated cost of each share.

1st Dec Term, 1898, Tuesday the 6th Day of Dec A. D. 1898

To the Board of Commissioners of
Vanderburgh County.

Gentlemen:

The bonded indebtedness of Vanderburgh County after the completion of the New Court House and Jail amounted to $613,000.00 bearing 5 per cent. interest divided in issues as follows.

Issue of Jan 1/88 $220.000.00 due and payable Jan 1. 1918 without option.

Issue of May 1/89. $100.000.00 due and payable May 1. 1904. payable at the option of the County on or after May 1. 1899.

Issue of June 1/89. $18.000.00 due and payable June 1. 1899. payable at the option of the County on or after June 1/94.

Issue of Jan 1/90. $100.000.00 due and payable Jan 1. 1910. without option.

Issue of Jan 2/92. $175.000.00 due and payable Jan 2. 1907. without option.

The issue of June 1/89 amounting to $18.000.00 has since been redeemed.

The issue of May 1/89. amounting to $100.000.00 will be due in 1904. but may at the option of the County be redeemed on or after May 1/99.

There is now in the County Sinking Fund the sum of $7,000.00 and by May '99 it will amount to $20.000.00

I would respectfully suggest that $20.000.00 of the issue of May 1/89 be paid on May 1/99. and new fifteen year Bonds be issued for the remaining $80.000.00 of said issue I am of the opinion that fifteen year bonds without option bearing 4% (possibly 3½) can be sold at par. It would therefore be advisable that action be taken shortly with the view of obtaining a lower rate of interest on the said issue, and that suitable parties be requested to submit propositions in the matter.

Respectfully Submitted.

Dec 6/98. Louis A Legler Auditor.

Bids being requested for laying an artificial stone flooring in the basement of Jail and the repair of foundation wall. come now the following parties and submit bids. which are as follows.

H. A. Lensing. $59.40 } Anchor Paving Co. $48.00

Come now the Grand Jurors and respectfully submit this our final report and pray our discharge.

County Infirmary

We have examined this institution and find inmates in general good health and contented. The grounds and buildings are in good condition, only one repair being necessary and that consists of a vault waste pipe which leads through the bakery of said institution. We recommend its alteration.

Orphan Asylum (White)

This institution is in first class order with the exception of the roof, which needs immediat repair. We recommend a water closet inside of the building as the old closet is a nuisance and ought to be abandoned.

Orphan Asylum (Colored)

In this institution there is an urgent need of a water closet, the present outhouse being so situated as to be dangerous as well as a nuisance: the steps leading to the building are in need of immediate repair. These recommendations have been made several times by previous Grand Juries. Another stove is needed here also.

County Jail

This institution is in first class condition, with the exception of the water supply, which has never been satisfactory. We recommend a complete overhauling of the same.

(Signed) M. N. Armstrong Foreman

Respectfully referred to the Board of Commissioners, with the recommendation that the necessary repairs to the public institutions be made at once.

H. A. Mattison

Judge.

The following resolution was offered by Commissioner Elliott:

Whereas, on the 7th day of November, 1898. the Board of Commissioners of Vanderburgh County entered into a contract with one Marion L. Grimes, whereby the said Grimes was employed to make search for omitted and concealed property subject to taxation. for which the said Grimes was employed to make search for omitted and concealed property subject to taxation, for which the said Grimes was by the terms of said contract to receive thirty five per centum of the amount of taxes collected on such omitted property, discovered, reported, and collected through his efforts; and.

Whereas, the Board is of the opinion that it had no legal authority to make said contract and the same was not to continue for any definate period and the attempted endorcement thereof is likely to lead to litigation and involve the Board as well as the citizens of the County in needless trouble and expense; and

Whereas; it is made the duty of the proper County officers to discover all property of every kind subject to taxation and cause the same to be placed on the tax duplicate; and

Whereas, the said Grimes has not executed any bond to secure the performance of said contract or to protect the Board or the citizens of the County against damage or liability by reason of his acts done thereunder.

Now, therefore it is ordered that said contract be, and the same is hereby rescinded, cancelled and wholly set aside, and the Auditor is directed to notify said Grimes to that effect.
