Board of Commissioners, Vanderburgh County,

Friday Morning September 26th 1890

Whereas in the opinion of the County Auditor the public interest of the County demand a special session of the Board of Commissioners, and for the purpose of convening said Board he issued his summons to the Sheriff in the words and figures following, to wit:

State of Indiana }
 Vanderburgh County } ss:

To the Sheriff, Greeting:

Summon Christian Munderlich, Henry Boeke and Herman Klamer, Commissioners of Vanderburgh County, State of Indiana, to meet in special session at their room in the Circuit Court Building in the City of Evansville on the 26th day of Sept. 1890, at 10 o'clock A.M. to consider specifications for chandeliers ect. for new Court House, and transact such other business as may transpire.

Herein fail not and return.

Witness my hand and official seal this 25th
 day of September 1890

Jas. D. Parvin

Auditor Vanderburgh County.

Now therefore in obedience to said call, said Board of Commissioners met in their room this day when present Christian Munderlich, Henry Boeke and Herman Klamer members composing said Board, and James D. Parvin County Auditor, and Frank Pritchett Sheriff.

The minutes of September 9-10-11-12-13-15-16 & 17 were read and approved.

Come now Dr. M. Muehlhausen and Charles O. Wack and present to the Board the following communication, to wit:

Sept. 25, 1890.

To the Board of County Commissioners
 City.

Gentlemen:-

At the last meeting of all the German Day committees, held last night, a committee was appointed con-

Opl. Sept Term, 1890, Friday the 26th day of Sept. A. D. 1890-

3

meeting of Messrs. Dr. M. Muehlhausen, & Chas. P. Wack, for the purpose of requesting you gentlemen, to illuminate that portion of Main & 3rd Sts. adjacent to the Court House.

According to the report of the committee on illumination, Main St. will present a brilliant appearance on German Night, and it was the unanimous desire, of all gentlemen present at the meeting last night, that our Court House should shine in unison with the other buildings on the streets.

Hoping that you will grant the request of the committee, I subscribe myself

Yours respectfully
J. F. Peters,
Secy.

The communication was received, and filed, and on motion it was ordered that the request of the Committee be granted, and that the Board take the proper steps to illuminate on said night

Comes now Joseph Thorbecke Agent of Halls Safe & Lock Company of Cincinnati Ohio, and proposes to furnish a Fire and Burglar Proof Safe for the Treasurer Office of the new Court House, for the sum of \$475⁰⁰ which proposition after careful consideration is on motion accepted by the Board, and the said proposition and acceptance is in the words and figure following, to wit:

Proposal to the
County Commissioners of Vanderburgh County.

We hereby propose to furnish the County Commissioners of Vanderburgh County, one number 86x Fire and Burglar Proof Safe.

This Safe is made with Angle frames at front and back, bent round and welded solid at all corners. The body of safe to be constructed of one continuous plate of iron with additional strengthening bars on sides and corners. This safe is fitted from the Bottom Massive Bolt work and Hall's Patent four tumbler combination lock. This safe embodies every improvement and is the strongest, best, and most reliable safe made,

Board of Commissioners, Vanderburgh County,

The claim for Hall's Patent dove-tailed, tenon and groove Burglar-proof Safes:

First. That the dove-tailing of the plates around the edges of the door, which shut into corresponding dove-tails in door-jamb, securely prevents the successful use of the most powerful instruments of the burglar, the wedge, as the more the wedge is driven, the more compact the work is forced together, a claim which all stepped, straight-edged safes can not substantiate.

Second. - That our method of making a tenon around the door, which closely fits into a corresponding groove around the door-jamb, when the door is shut, forms a perfectly tight and compact joint and prevents the successful use of the wedge and the introduction of powerful compound, Nitro Glycerine, or any other explosive fluid.

Third. - That Hall's Patent Traverse and Cam Hinges move the door squarely in and out of tenon and groove and dove-tails, before the door will swing, thus combining the door and door-jamb together equivalent to solid metal, and insuring exceedingly close-fitting joints.

Fourth. - That the dove-tailing of all iron plates at every corner of the safe prevents the successful use of the wedge or any of the burglar's implements.

Fifth. - That our solid steel bent or angle corners also prevent the successful use of the wedge or any other burglar's tools.

Sixth. - That our tenon and groove, or dove-tail angle iron around all corners of the safe, adds very greatly to its security in many respects.

Seventh. - That the corners of our Safes, made as above described forms the only solid corner made.

Eighth. - That our method of constructing the walls of our Safes of alternate plates of iron, welded iron and steel, carbonized and decarbonized steel and crystal steel and

Ninth. - That by combining the said plates together by heavy Machine Screws and Leonial Twisted and Threaded Iron and Steel Drill-proof Arbors, (which pass through the whole number of plates), successfully prevents the safe from being drilled, stripped or the plates forced apart by sledge hammers, gimnies, Jack-screws, or any of the various appliances known to the professional burglar.

Tenth.- That our patent heavy double bolt work (which works in a heavy wrought iron frame) is secured to the door by Hall's conical twisted iron and steel drill-proof Bolts passing through the entire door, successfully prevents the door from being forced away from the bolt work by levers, jimmies, jackscrews, or any other pressure.

Eleventh.- That Hall's Patent built in Disk Arbor absolutely prevents access to the lock by the usual methods of driving in or pulling out the Arbor, consequently prevents any pressure from being taken on the bolt work or lock. These are new patented improvements and a highly important feature.

Twelfth.- That there has never been one of our Burglar-proof or Fire and Burglarproof Safes broken open in the last forty (40) years.

We will deliver this safe inside of thirty (30) days in the New Court House and set it on a solid base of one foot high, which will make the safe stand 5 feet and 9 inches from the floor, for the net sum of Four hundred and seventy five (475) Dollars in current funds.

After the safe is put in place, we will cover it up nicely and put the name on the top of the safe - County Treasurer of Vanderburgh County.

Fourth.- That the dove-tailing of all iron plates at every corner of the safe prevents the successful use of the wedge or any of the burglar's implements.

Fifth.- That our solid steel bent or angle corners also prevent the successful use of the wedge or any other burglar's tools.

Sixth.- That our tenon and groove, or dove-tail angle irons around all corners of the safe, adds very greatly to its security in many respects.

Seventh.- That the corners of our Safes, made as above described forms the only solid corner made.

Eighth.- That our method of constructing the walls of our Safes of alternate plates of iron, welded iron and steel, carbonized and decarbonized steel and crystal steel and.

Ninth.- That by combining the said plates together by heavy Machine Screws and Leonial Twisted and Threaded Iron and Steel Drill-proof Arbors, (which pass through the whole number of plates,) successfully prevents the safe from being drilled, stripped or the plates forced apart by sledge hammers, jimmies, Jack-screws, or any of the various appliances known to the professional burglar.

Sp. Rept. Term, 1890, Friday the 26th day of Sept. A. D. 1890.

5

Tenth.- That our patent heavy double bolt work (which works in a heavy wrought iron frame) is secured to the door by Hall's conical twisted iron and steel drill-proof Bolts passing through the entire door, successfully prevents the door from being forced away from the bolt work by levers, jimmies, jackscrews, or any other pressure.

Eleventh.- That Hall's Patent built in Disk Arbor absolutely prevents access to the lock by the usual methods of driving in or pulling out the Arbor, consequently prevents any pressure from being taken on the bolt work or lock. These are new patented improvements and a highly important feature.

Twelfth.- That there has never been one of our Burglar-proof or Fire and Burglar-proof Safes broken open in the last forty (40) years.

We will deliver this safe inside of thirty (30) days in the New Court House and set it on a solid base of one foot high, which will make the safe stand 5 feet and 9 inches from the floor, for the net sum of Four hundred and seventy five (475) Dollars in current funds.

After the safe is put in place, we will cover it up nicely and put the name on the top of the safe-

And now said Grand Jury presents to the Court in writing which is in the words and figures following, to wit:

Hon. R. S. Richardson, Judge of Vanderburgh Circuit Court.

The Grand Jury respectfully report to the Court that in accordance with the law we have visited the County Infirmary, County Jail, and the Orphan Asylum, and found them generally in good condition and the inmates well and comfortably situated. However we would suggest that the County Commissioners take immediate steps to put the White Orphan Asylum in good repair, as we find the same by general wear and tear greatly in need as follows, to wit: The doors, windows and stairways require immediate attention and the whole house must be painted or loss will occur to the County. The fences and out-buildings are not in a good condition, especially the vaults to the boys water closets which we consider unsafe and dangerous to health and life of the inmates. We would therefore recommend that as a matter of economy to the taxpayers, that these suggestions be at once carried out.

6938 In the Matter of the Contest of the Office of County Auditor by Henry Weinberg contestor vs James D. Parvin, contestee Washington Stinchfield contestee

Now on the 11th day of November 1890, here comes Henry Weinberg and files his complaint against James D. Parvin, which is in words and figures following to-wit: State of Indiana Vanderburgh County } ss Henry Weinberg

James D. Parvin } Before the Washington Stinchfield Board of Comrs

Henry Weinberg, complains of James D. Parvin and states; That on the 4th day of November, 1890, at a general election then and there held through the State of Indiana for the election of State and County officers, Henry Stockfleth, James D. Parvin and Washington Stinchfield were candidates in Vanderburgh County, for the office of

Board of Commissioners, Vanderburgh County,

County Auditor, they being the only candidates who received any votes for said office, Contestor further shows to the court, that he was and is an elector for said County, and entitled to, and did vote for the said Henry Stockfleth, for said office at said election, and that Stockfleth was at that time and is now eligible to be elected such Auditor and to hold and perform the duties of said office,

That there were received and counted for the said James D. Parvin 4745 votes, That there were received and counted for said Henry Stockfleth 4735 votes, That there were received and counted for said Washington Stinchfield 87 votes, and the said James D. Parvin was duly declared elected to said office, and now claims the right to exercise the duties pertaining thereto and to receive the fees and emoluments thereof. The Contestor contests the election of said James D. Parvin to said office on the following grounds, to-wit:

1st For the irregularity and malconduct of members and officers of election boards, to-wit: the Inspectors, Judges and Clerks thereof in divers and sundry precincts in the said County of Vanderburgh, which irregularities and malconduct consisted of the following, to-wit: That a large number of ballots, to-wit, 300- which had been duly cast and were deposited in the several ballot boxes in the several precincts aforesaid to by persons who were legal voters at said election, which votes were cast by persons who were legally qualified to vote at said election, and that the said votes so legally cast for said Henry Stockfleth, there were a large number, to-wit: 200, taken from the ballot boxes in the said county by the said officers of said election in said county, which should have been, and which were not counted for him - the said Stockfleth - and if said votes had been counted for him, he would have had a plurality of all the votes cast in said county for said office.

2^d - That in said county at said election there were taken from the ballot boxes of said county by the various election officers, as aforesaid, and counted for the said contestee James D. Parvin, a large number of votes, to-wit, 100, which votes were not then and here cast in the manner prescribed by law in this to-wit: that said ballots, as contestor is informed and charges the fact to be true distinguishing marks, the exact number whereof he cannot state; were improperly stamped, the exact number whereof he cannot state; that said ballots did not contain the initials of the Polling Clerks in the several precincts on the lower left hand corner of the said ballots, the exact number whereof contestor can-

not state, all of said ballots being now deposited with the clerk of the Circuit Court of this County in sealed envelopes and are not accessible to him. Contestor avers that if said illegal ballots had not been counted for the said James D. Parvin for said office, the said Henry Stockfleute would have received a plurality of all the votes cast at said election.

3; The contestor further avers that in said election the said Henry Stockfleute received a greater number of votes for the office of Auditor of Vanderburgh County than were received by the contestant James D. Parvin; but that said fact is not shown by the returns of the Board of Canvassers of said County for said election because of the failure of the several Election Boards as herein before described, to count all of the ballots cast for said Stockfleute for him, as in duty bound they should have done. And because of the said election officers for said County having counted for the said James D. Parvin a large number of ballots, the exact number whereof the contestor is unable to state, illegally and improperly, while the said several election Boards wrongfully, illegally and of their own conduct aforesaid, failed, neglected and refused to properly certify and return by their tally sheets and poll books, and kept for the said illegal conduct as herein stated the said Henry Stockfleute would have received a plurality of all the votes cast at said election. Therefore the contestor prays that the said Henry Stockfleute be declared elected and entitled to the office of County Auditor, and for all proper relief.

By A. C. Hawkins, D. C.

Herewith notice was issued by the clerk requiring the defendant to appear before the County Commissioners of Vanderburgh County on the 22nd day of November 1890. Notice was also issued to each one of the said County Commissioners requiring them to meet on the said day for the purpose of hearing said complaint. Now on the 22nd day of November 1890, being the day fixed by the clerk of the Circuit Court for the hearing of the said complaint, there were present, to-wit: the Honorable County Commissioners Christian Hunderliche, Herman Klamer and Henry Poche. Court being in session the plaintiff and defendant being each present in person and by counsel, the defendant now files his answer to the plaintiff's complaint, which answer is in words and figures as follows, to-wit:-

Par. 1:- For answer to the statement and to the complaint of Henry Hintersberg, the contestor, the contestee, James D. Parrie denies each and every allegation therein.

Par. 2; For a further answer to said complaint and statement, the contestee James D. Parrie says that at the election named in said statement or complaint at least one hundred more of the legal votes which were cast and voted at said election, were cast and voted for this contestee for the office of County Auditor of Vanderburgh County than were cast or voted for said Stockfleete for said office; but the election officers at said election failed and refused to count at least one hundred legal votes which were duly voted by legal voters of said county at the several precincts in the said county, and were duly deposited in the proper Ballot Boxes, all of which votes were for this contestee for said office, and should have been counted for him, and if all the legal votes which were cast and voted at said election for contestee had been counted, the plurality for this contestee would have been more than 200 instead of ten votes.

Par. 3:- For a further answer, the defendant says:- That of the 4735 votes which were received and counted for Henry Stockfleete for the office of County Auditor of Vanderburgh County, seventy-five of the same were wrongfully and unlawfully counted for said Stockfleete, for the reason that said ballots each and all of them had distinguishing marks on them, and each and all of them failed to contain the initials of the poll clerks as required by law. That in addition to this, 60 of said 4735 votes which were counted for said Stockfleete were cast and voted by persons who were not legal or qualified voters in the precincts at which they voted. At least 60 of the votes which

Opl. Sept Term, 1890, Friday the 28th day of November A. D. 1891.

were cast and counted for said Stockfleht at said election, were cast by minors, by non-residents and by persons who had not lived the requisite time prior to said election in the county, township and precinct in which they voted.

Par. 4: - For a further answer to said complaint and statement this contestee says: That at the general election stated in said complaint and statement, this contestee received the highest number of any candidate of the legal votes cast at said election for the office of County Auditor of Fauderburgh county, and was duly elected to said office, and this contestee was then and is now eligible to said office.

Par. 5: - For a further answer to the complaint and statement of Henry Hinberg, the contestee James D. Parvin says: That the election at which the contestor claims that said Henry Stockfleht was elected to the office of County Auditor of Fauderburgh county, was conducted in all respects under the act of the General Assembly of this State entitled "An act concerning elections, providing for the violation of the same, and repealing all laws in conflict herewith." Approved March 6th, 1889. That within the county of Fauderburgh and each precinct thereof, there were many legal and qualified electors at said election who desired to vote for this contestee for said office, who, either from physical disability, or from inability to read the English language, were unable to stamp their ballots in the manner provided for in said act. Said persons were prevented from voting for this contestee for said office, and said persons did not vote at all at said election, for the reason that they could not vote under the provisions of said act without disclosing to the two poll clerks for what candidate they desired to vote at said election.

That all the election officers at all the precincts in said county refused to permit any of such voters to vote at said election unless they complied in all respects with the Act of the General Assembly above referred to, and by the provision of said act, all said legal and qualified voters were deprived of the right of voting at said election unless they submitted to the condition of revealing the names of the persons for whom they wished to vote to the two poll clerks, a condition that did not apply to any other voters except such physically disabled voters, and such voters as could not read the English language, and a condition that was not required of any other

Board of Commissioners, Vanderburgh County,

voters at said election than those above stated, and as to all such voters, said election was not free nor equal, and could not be free nor equal under the provisions of said law, and under such provisions the class of voters above stated were deprived of their right under the Constitution of this State of voting by secret ballot. By reason of said unequal, coercive and unconstitutional provisions of said act there hundred legal and qualified voters in the several precincts of Vanderburgh County who would have voted for this contest at said election for the office of County Auditor of Vanderburgh County did not vote at said election and were prevented from voting for this contest by their fear of disclosing to said poll clerks the fact that they had voted for him and their votes were solely on account of said cause lost to this contest.

And now the plaintiff files his reply to the 2nd, 3rd and 4th paragraphs of the answer. *Comit:* The contestee, Henry Kesting, for separate reply to the 2nd, 3rd and 4th paragraphs of contestee's answer to the contestee's statement denies each and every allegation therein contained.

Now the plaintiff files his written motion for leave to amend the complaint herein, which motion is in words and figures as follows *Comit:* Now comes the plaintiff Henry Kesting and moves the court to grant leave to amend his complaint in this particular *Comit:* that they be permitted to insert after the word election in the tenth line of said complaint the following words *Comit:* that said Stockflebe was at that time and is now eligible to be elected such Auditor and to hold and perform the duties of such office.

Atty. for contestor.

The contestee objects to such amendment or to any amendment of the complaint or statement of contest. The objection was overruled and to this ruling the contestee excepts at the time. The following words were then inserted after the

4th. Sept. Term, 1890, Friday the 28th day of November A. D. 1890.

word "election" in the tenth line of the original complaint:— And that Stockfleete was at that time, and is now eligible to be elected such Auditor and to hold and perform the duties of said office". Which complaint was re-errone to as amended, and the plaintiff offered to refile the same, and thereupon the defendant objected to the filing of said complaint upon the ground that it was a substitution of the original complaint, and they demanded that the original complaint should be left intact, and that plaintiff should file an amended complaint embodying the amendment, as desired. The court sustained the objection of the defendant, and would not allow the said complaint to be refiled, to which ruling of the court the plaintiff excepted. Plaintiff then asked leave to file an amended complaint, the amended complaint was then filed and is in words and figures as follows, to-wit:— Henry Mustang complains of James D. Parvie and states:— That on the 4th day of November 1890 at a general election here and there held throughout the State of Indiana for the election of State and county officers, Henry Stockfleete, James D. Parvie and Washington Stueckfield were candidates in Vanderburgh county for the office of county Auditor; they being the only candidates who received any votes for said office.

Contester further shews to the court that he was and is an elector for said county, and entitled to and did vote for the said Henry Stockfleete for said office at said election, and that Stockfleete was at that time, and is now eligible to be elected such Auditor and to hold and perform the duties of said office.

That there were received and counted for James D. Parvie 4740 votes. That there were received and counted for Henry Stockfleete 4730 votes. That there were received and counted for said Washington Stueckfield 87 votes; and the said James D. Parvie was duly declared elected to said office, and now claims the right to exercise the duties pertaining thereto, and to receive the fees and emoluments thereof.

The contestor contests the election of said James D. Parvie to said office on the following grounds, to-wit:— 1st:— For the irregularity and mal-conduct of precincts and officers of election boards, to-wit:— the Inspectors, judges and clerks thereof in diverse and sundry precincts in the said county of Vanderburgh, which irregularities and mal-conduct consisted of the following, to-wit:—

Board of Commissioners, Vanderburgh County,

That a large number of ballots, to wit 300, which had been duly cast and were deposited in the several ballot boxes in the several precincts above referred to by persons who were legal voters at said election, which votes were cast by persons who were legally qualified to vote at said election and that the said votes so legally cast for said Henry Stockfleete, were a large number, to wit: 200, taken from the ballot boxes in the said county by the said officers of said election in said county, which should have been, and which were not counted for him - the said Stockfleete - and if said votes had been counted for him, he would have had a plurality of all the votes cast in said county for said office.

2:- That in said county at said election, there were taken from the ballot boxes of said county by the various election officers, as aforesaid, and counted for the said contestant James D. Parvin, a large number of votes, to wit 100, which votes were not seen and were cast in the manner prescribed by law, in this, to wit, that said ballots, as contestant is informed, and charges the fact to be, bore distinguishing marks, the exact number whereof he cannot state; were improperly stamped, the exact number whereof he cannot state; that certain of said ballots did not contain the initials of the Polling clerks in the several precincts on the lower left hand corner of the said ballots, the exact number whereof contestant cannot state, all of said ballots being now deposited with clerk of the Vanderburgh Circuit Court of this county in sealed envelopes and are not accessible to him.

Contestor avers that if said illegal ballots had not been counted for the said James D. Parvin for said office, the said Henry Stockfleete would have received a plurality of all the votes cast at said election.

3:- The contestant further avers that in said election the said Henry Stockfleete received a greater number of votes for the office of Auditor of Vanderburgh County than were received by the contestant James D. Parvin: but that said fact is not shown by the returns of the Board of Commissioners of said county for said election because of the failure of the several Election Boards as herein before described, to count all of the ballots cast for said Stockfleete for him, as in duty bound they should have done. And because of the said election officers for said county having counted for the said James D. Parvin a large number of ballots, the exact number whereof the contestant is unable to state, illegally and improperly, which the said election boards wrongfully, illegally and of their malconduct aforesaid failed, neglected and refused to properly certify and return by their tally

sheets and poll books, and not for the said misconduct as herein stated, the said Henry Stockfleete would have received a plurality of all the votes cast at said election.

Therefore the Contestor prays that the said Henry Stockfleete be declared elected and entitled to the office of County Auditor and for all proper relief.

State of Indiana, }
Fauquier County, } Sct.

Henry Winterg being duly sworn upon his oath says: - He is the plaintiff and contestor herein that the facts stated in this complaint as amended are true.

Henry Winterg.

Subscribed and sworn to before me this 24th day of November 1890.

Chas. L. Jenkins, Clerk.
By A. C. Hawkins, D. C.

The Contestor objects to the filing of the amended complaint upon the ground that it is now too late to file a statement of contest and because the Contestor had no right at any time to amend the statement of contest filed by him. The Court overruled the objection to which ruling Contestor at the time excepted. And thereupon defendant now replies as an answer to the amended complaint the same answer heretofore filed, and the plaintiff replies his demurrer to the fifth paragraph of the said answer, which demurrer is sustained by the Court, to which ruling of the Court the defendant excepts. Now plaintiff replies his reply to the 2nd, 3rd and 4th paragraphs of the defendant's answer.

The plaintiff after identifying the ballots, offered in evidence ballots Nos. 1, 3, 6 + 7 of the Second Precinct, and the defendant thereupon objected to said ballots being introduced in evidence for the reason that the tally sheets did not show that said ballots were either protested or disputed, and the Court having duly considered sustained said objection, to which ruling of the Court the plaintiff excepted, and thereupon plaintiff rested; and the defendant also rested. Whereupon the Court finds for the defendant that the said Parvin was legally elected Auditor of Fauquier County, and not the said Stockfleete.

Therefore it is ordered, adjudged and decreed by the Court that the said James D. Parvin received the largest number of votes and that he was duly elected the

Board of Commissioners, Vanderburgh County,

Auditor of Vanderburgh County for a term beginning on the day of _____ and ending on the day of _____
 And that he hold, exercise and perform all the duties pertaining thereto, and receive the fees and emoluments thereof.

It is further ordered, adjudged, and decreed by the court that the said Parrie recover of and from the said plaintiff his costs herein. Whereupon the plaintiff prayed an appeal to the Vanderburgh Circuit Court, which was granted upon the condition that plaintiff file his bond with security to be approved by the clerk, conditioned according to law.

And the Board having examined said report and having heard evidence of the truth of the statements made therein finds that said sale was duly advertised by publication in the Evansville Journal a newspaper of general circulation, published and printed in the City of Evansville in said County for more than sixty days prior to said sale which said notice contained a full statement of the terms of said sale including the minimum prices fixed by the Board below which real estate could not be sold. Said Board also finds that it was a part of the agreement and contract with said agent that in case said sale was in all respects satisfactory he should be allowed one half per cent thereon in addition to the compensation specified in the order of appointment. And said Board also finds that said sale was in all respects satisfactory and that the prices realized therefor were the full value thereof and more than said Board expected to realize therefor, and that he is entitled to an allowance of one half per cent on the amount of said sales in addition to the amount heretofore allowed. That the total amount of said sale as shown by said report is One hundred and nine thousand and fifty nine dollars (\$109,059.⁰⁰) and that one half per cent thereon is five hundred and forty five dollars (\$545.⁰⁰) It is therefore ordered that said George A. Cunningham be and he is hereby allowed the sum of five hundred and forty five dollars (\$545.⁰⁰) and the Auditor is hereby directed to draw his warrant for said amount in favor of said George A. To the Honorable the Board of Commissioners.
of Vanderburgh County,
The undersigned heretofore appointed by the Board,

Dec. Term, 1890, Wednesday the 17th day of December A. D. 1890.

as agent to sell the real estate hereinafter described belonging to the County of Vanderburgh. respectfully reports that in pursuance of the terms of the order made by the Board authorizing said sale he gave notice by publication in the Evansville Journal a daily newspaper of general circulation printed and published in the City of Evansville in said County for more than sixty days before the thirtyfirst day of May 1890. that the Board would on said day offer for sale at public auction at the Court House door in the City of Evansville, the real estate described in said order for not less than the minimum prices fixed at said order, and hereinafter set forth, on the terms named in said order to wit: one third cash, the remainder in equal instalments in one and two years from date, secured by mortgage on the real estate sold with interest at the rate of six per cent per annum on deferred payment and he attaches hereto as part of this report a copy of said notice of sale together with an affidavit showing that it was published as above described. He further reports that in pursuance of the terms of said order he published full and ample notices of said sale in all of the newspapers published in the City of Evansville and also in certain newspapers published in the cities of New York and Columbus. He also had prepared plats and posters which were posted conspicuously in all of the public buildings in said city, and distributed generally throughout the city and county. He further reports that on said thirtyfirst day of May 1890 at 2. o'clock P. M. at the Court House door he caused said property to be offered at public auction to the highest bidder, and the several lots and parcels of ground were openly struck off to the persons whose names appear below opposite the same, for the prices named below, the same being the highest and best bidders, and the bids being the highest and best bids offered, and in every instance being more than the minimum price fixed by the Board. A part of the purchasers as shown below paid the purchase money in full. A complete list of the lots sold, the minimum prices fixed by the Board, the prices realized, the names of purchasers, the amount paid.

The Grand Jury for the December Term 1890. of the Vanderburgh
 Circuit Court respectfully submits this their final report.
 In accordance with the instructions given us, we visited
 the County Infirmary, Orphan Asylum, both white and
 colored, and the County Jail. With respect to the County
 Jail we found the jail in as good condition as
 circumstances will permit. The condition of the County
 Infirmary is good and we have no recommendations
 to make. The Colored Orphan Asylum is well conducted
 and all things are in proper shape. In regard to
 the white Orphan Asylum our report is exceedingly
 unfavorable. We found the condition of the children dirty,
 without good shoes and good clothes, but the building
 and premises are clean and neat. We would recommend
 however that the heating qualities be increased as the
 rooms were cold and uncomfortable. We would further
 recommend in this connection that the fences around
 the premises be put in proper repair.

Gentlemen:

The undersigned Trustee of Knight Township in said County, shows that in one of the school Districts in said Township, the school house besides being old and

Mich. Term, 1891, Thursday the 12 day of March A. D. 1891.

inadequate to meet the demands of the public - is located in a part of the Township that is subject to overflow of the waters of the Ohio River. and that for a part of nearly every year, the school is necessarily suspended for a considerable time on account of high water, and by reason thereof the children of that district are to a great extent deprived of the benefits they are entitled to receive from the schools. He further shows that a suitable piece of ground for a new house in a central part of the district, which is not subject to overflow has been purchased and that it is desirable and advisable that during the coming spring or summer a new house should be built, that the construction and furnishing of the house will cost about \$3000⁰⁰.

He further shows that the fund now on hand together with the amount of the assessment for the current year is insufficient to defray the cost of such a building, after paying debts and other expenses chargeable on said fund, and that it will be necessary to incur an indebtedness of about \$3000.

He shows that in pursuance of Section 6007, R.S. 1881, he did on the 3^d day of February instant post notices in five conspicuous places in said Township showing that this petition would be presented at the present term of this court, asking for an order authorizing him to incur such indebtedness. A copy of said notice is filed herewith, and he asks that the order may be made accordingly.

3^d of February 1891.

To the Honorable Board of Commissioners,
of the County of Vanderburgh.

Gentlemen:

I beg leave to inform you that there are on file in the County Auditor's office, hundred of boxes of Redeemed and canceled County Orders, Treasurers Miscellaneous Receipts, and Liquor License Bonds. These papers are entirely worthless, for reference or any thing else, as the same are recorded in various Records, the County Orders being recorded in no less than four different Records. In my opinion these papers should be burned. I would request your honorable body to pass an order instructing the Auditor to destroy said papers, which were issued during or before the year 1879.

Respectfully

Saturday Morning April 4th 1891.

The Board of Commissioners of the County of Vanderburgh met in their room this day pursuant to adjournment when present Henry Boeke, Herman Klammer and Charles Lindenschmidt members composing said Board.

The reading of the minutes was postponed.

Comes now Christian Wunderlich and submits to the Board the following communication to wit:

To the Honorable Board of County Commissioners
of Vanderburgh County, State of Indiana.

Gentlemen:

I have this day received a notice of appointment from the Auditor, as County Assessor, being appointed by your honorable body. After receiving said appointment I examined the law in regards to the duties of the County assessor, after careful examination of said law and the duties involved upon said assessor. I have come to the conclusion that I could not accept said appointment under the circumstances as they now exist.

1st the duties involved upon the said assessor and the time specified in the said acts is not sufficient time to make an accurate and an equal assessment of all the property in Vanderburgh County and therefore could not do justice to myself and the taxpayers of Vanderburgh County Ind.

2nd that the compensation set forth in said act is not sufficient to pay me or any other competent person to accept said position for the reason that the said act requires the County assessor to visit all township assessors, and instruct them in the valuation of property there being no provision made to defray the expenses which would necessarily have to be incurred in said visits, for instance horse & buggy hire and incidental expenses which certainly could not be defrayed of a compensation of \$3.00 per day.

3rd I see from the notice of the appointment that there has been quite a contention for said position

Board of Commissioners, Vanderburgh County,

as assessor and that upon the result of the 13th ballot, I received the majority of votes cast by your honorable Board, and this being a question which necessarily would require the utmost unanimity of your honorable Board in conjunction with said assessor to enable him to consult your honorable body to ascertain the best method to proceed and make a thorough and intelligent and untrampling assessment of this county for these reasons I respectfully decline to accept this appointment which has been tendered to me by the majority of your honorable body and in closing this my communication to your honorable body I herewith express my sincere thanks to the two members of this honorable board for voting for me and in placing their confidence in me for this high and important position.

Respectfully Yours,
Christian Wunderlich.

Board of Commissioners, Vanderburgh County,

and file their several applications for license to sell intoxicating liquors in less quantities than a quart at a time, on their several places of business, as more fully set forth in their said applications, also file a copy of notice with proof of publication thereof, and the Board having carefully considered the matter and being sufficiently advised in the premises, find for the applicants, that they are residents of Vanderburgh County over twentyone years of age, that the notice given by them, and the description of the premises as therein given are sufficient and that they are in all things fit persons to be entrusted with the sale of intoxicating liquors, that they have given their bond in the penal sum of Two Thousand Dollars, to the approval of the County Auditor, and also paid into the Treasury the sum of One hundred Dollars (except Albecker & Co. who have deposited Fifty Dollars for malt and vineous liquors) as a license fee for one year. It is therefore ordered that licenses be granted to the said applicants to sell intoxicating liquors in less quantities than a quart at a time on their said mentioned premises, with permission to allow the same to be drunk on their premises for one year from and after dates as designated on said Bonds.

Comes now Jacob Detroy Trustee of Perry Township, and presents to the Board his petition, which is in the words and figures following to wit:

To the Honorable the Board of Commissioners
of Vanderburgh County.

The undersigned represents to the Board, that he is Trustee of Perry Township in said county. That said Township is now, and was at the date of your petitioners election to said office indebted in the sum of Thirty five hundred Dollars, chargeable to the special school fund, which said debt was contracted and made by your petitioners predecessor in office Theodore Hartig and was incurred in building a school house at Howell Station in said township. That said debt is in excess of the fund on hand to which the same is chargeable, and of the fund to be derived from the tax assessed against his township for the present year. That he is unable to pay said debt, and the persons to whom the same is payable have demanded

June Term, 1891, Wednesday the 17 day of June A. D. 1891.

the payment thereof, so far as the same has matured and that all of said debt will be due in September of this year and he desires now to provide for the payment of the whole of said debt, both the part now due, and that to become due in September. He further shows that at least twenty days prior to the first day of the present session of this Board he posted written notices in five public places in said township, to wit: one on the New Harmony Road opposite Hartmety Brewery, one on the upper Mt. Vernon Road at the intersection of Babytown Road, one on the Hoque Road, one at the intersections of the middle and Lower Mt. Vernon Road, and one at the intersection of the Henderson, and Lower Mt. Vernon Road, a copy of which notices is made a part hereof.

Wherefore your petitioner asks for authority to incur a debt of thirty five hundred dollars for the purposes of taking up and providing for said indebtedness, and for authority to issue notes or bonds of the township, in such amounts and due at such time, and bearing such interest as the Board may determine, that said old debt bears interest at the rate of six per cent per annum payable annually.

Jacob Detroy Trustee.

of June 1891.

Jacob Detroy Trustee P. T.

And the Board having examined the same, and heard evidence touching the truths of the matters stated therein finds the same to be true.

It is therefore ordered by the Board that for the purpose of

Board of Commissioners, Vanderburgh County,

of refunding and providing for the payment of the debts therein mentioned amounting to the sum of thirty five hundred dollars the said Trustee be and he is hereby authorized to execute and issue the notes or bonds of said township to the amount of thirty five hundred dollars bearing interest at the rate of six per cent per annum payable annually, maturing in five years from the date, with the privilege of paying the same at any time after one year from date and that said notes or bonds be issued in such sums as in the opinion of said trustee shall be for the best interests of said township, but none of the same shall be for less than five hundred dollars each, and none of said bonds shall be issued, and no interest shall be paid or allowed thereon until an equal amount of the debt mentioned in said petition shall have been cancelled and the obligations evidencing the same surrendered.

This order shall not in any manner authorize said trustee to contract any debt, or issue any bond or note except for the purpose of taking up and providing for the present debt mentioned in said petition.

And the Board having carefully considered said petition and maps, and the reasons furnished for said annexation, and having heard the argument of Harvin and Cunningham, on behalf of the several owners of the premises sought to be annexed and having also heard the argument of E. Board of Commissioners, Vanderburgh County,

In Vacation;

This Indenture Witnesseth, That whereas, John J. Ryan, of the County of Vanderburgh, and State of Indiana, did on the 17th day of April, 1882, mortgage to the State of Indiana, for the use of the Common School Fund, all of the following Real Estate in said County, to-wit; Lot number three (3) in the Subdivision of Lots one (1) two (2) three (3) and four (4) in Block number one, (1) Lileston and Lockharts Addition to, and of Lot number five (5) in Block number five (5), in the Crescent Enlargement of the City of Evansville, Indiana, as shown on Plat of partition recorded in Deed Record, number 41, at page 211, to secure the payment of One hundred fifty $\frac{00}{100}$ Dollars. (\$150⁰⁰) five years thereafter with interest thereon payable annually in advance at the rate of eight (8) per cent per annum, commencing on the 17th day of April A. D. 1882, and.

Whereas the said John J. Ryan in, and by said mortgage, agreed and contracted that upon failure to pay said principal or interest, when due, two per cent damages should be collected with costs, and the mortgaged premises, might be forthwith sold by the County Auditor for the payment of such principal, interest, damages, and costs, and.

Whereas, there after, to-wit; on the 22^d day of March A. D. 1886, said borrower having failed to pay the installment of interest and also the principal, due on said mortgage previous to January 1st 1885, said lot was thereupon after due notice, as required by law, offered for sale by Charles F. Jaeger, then Auditor of said County, in manner and form as required by law, and there being then and there no bid for the amount due under said mortgage, said lot was bid in by said Auditor in the name of the State of Indiana, on account of the funds aforesaid, and whereas, afterwards to-wit; on the 27th day of August A. D. 1890, James D. Parvin, Auditor of said Vanderburgh County, caused the said premises to be appraised according to law, by William Deaw, and John Laval, School Fund Appraisers of the First Commissioners District of said County, who appraised the same at the sum of Four hundred Dollars (\$400⁰⁰) whose appraisement thereof appears of record in Commissioners Record F. 1, at page 21, and whereas afterwards, to-wit; on the 4th day of October A. D. 1890, after first giving due notice of such sale according to law, did sell the said premises to Henry Goedde, for the sum of Four hundred Dollars (\$400⁰⁰) one-third payable in cash, and the balance on a credit of five years, with interest on such amount, at the rate of

six (6) per cent, per annum, payable annually in advance, in all respects in accordance with the Statutes in such cases made and provided, and the said Henry Goedde having paid in cash the sum of One hundred thirty three $\frac{33}{100}$ Dollars together with the costs of said sale, and having executed his note for the sum of Two hundred, sixty six $\frac{67}{100}$ Dollars payable to the State of Indiana for the use and benefit of said Common School Fund, payable five (5) years after date with interest at six (6) per cent per annum payable annually in advance, said Auditor thereupon issued to said Henry Goedde, a certificate of purchase as evidence of said sale of said premises, and said Auditor caused a statement by the Auditor and Treasurer of said County to be recorded in said Commissioners Record, F. 1. on pages, 21, 22, 23, 24, and 25, together with said certificate of Purchase, and whereas the said Henry Goedde, has this day paid into the County Treasury the sum of Two hundred, sixty six $\frac{67}{100}$ Dollars, the full amount of said unpaid purchase money.

Now therefore I, James D. Parvin Auditor of said County of Vanderburgh, and State of Indiana, by virtue of the authority vested in me by law, as such Auditor in the name of the State of Indiana, and for the use of the Common School Fund, in consideration of the premises, as also the sum of Four hundred $\frac{00}{100}$ Dollars (\$400.00) do sell and convey unto the said Henry Goedde of Vanderburgh Co. State of Indiana, all of Lot number three (3) in the subdivision of Lots one (1) two (2) three (3) and four (4) in Block number one (1) Lulleston, and Lockhart's Addition to, and of Lot number five (5) in Block number five (5) in the Crescent Enlargement of, the City of Evansville, Indiana, as shown on plat of partition, recorded in Deed Record number 41, at page 211, in the aforesaid County and State, to his heirs and assigns forever, in as full and complete a manner as by law I am authorized to do.

Comes now Chas. J. Jenkins clerk Circuit Court and submits to the Board a certified copy of the report of the Grand Jury, September Term 1891. of Vanderburgh Circuit Court, which report is as follows, to wit:

To the Honorable G. D. Richardson

Judge of the Vanderburgh Circuit Court.

The Grand Jury for the September Term 1891. of the Vanderburgh Circuit Court, beg leave to submit this their final report. As to the condition, and the manner in which the various County Institutions are kept, we report very favorably and have no suggestions to offer. We would respectfully recommend however, that the benches be placed in the County Jail for the use of prisoners, and also

Board of Commissioners, Vanderburgh County,

that a skylight be constructed in the Woman's department in the County Jail. At the County Infirmary some needed repairs on the buildings should be made to the inside and outside, the woodwork being in poor condition, and paucity being almost indispensable. At the Orphan Asylum for White Children the water supply is totally insufficient, the fence around the premises having almost passed the time of its usefulness, should be replaced by another, or repaired at least. A sidewalk should be constructed from the building to the city limits for the use of the children during the coming winter and for safety's sake a covering should be placed on the pipe from the bake oven to prevent fire.

Respectfully Submitted:

William H. Woods.

Foreman.

On motion the Board adjourned to meet on Wednesday Morning December 16, 1891. at ten o'clock.

Charles Lindenschmidt }
Samuel McDonald } Commissioners.

Wednesday Morning December 16, 1891.

The Board of Commissioners of the County of Vanderburgh met in their room this day pursuant to adjournment when present Charles Lindenschmidt and Samuel McDonald, members comprising a majority of said Board.

The reading of the minutes was postponed.

Comes now Fred B. Decker Trustee of Pigeon Township and presents to the Board the following petition to wit:

Evansville, Indiana, November 23rd, 1891.

To the Board of Commissioners of Vanderburgh County,
December Term, 1891.

The undersigned Trustee of Pigeon Township, Vanderburgh County, Indiana, shows to your Honorable body, that in one of the school districts of said Township, it is necessary to purchase grounds and erect a school house to meet the demands of the public, as in said neighborhood, there is no school house whatever, the nearest school house being the one on the Stringtown Road.

Between the district named and said school house, there is no road and the only means of access to the same from the district where the school house is needed, is to come through the City of Evansville, and then out the Stringtown Road to such school house; that your Trustee has established a new school district which is called No. 3, that in this district there are about one hundred children entitled to school privileges and that they have none whatever, there only chance of schooling being in the public schools of Evansville.

He further shows that a suitable piece of ground for

Board of Commissioners, Vanderburgh County,

the school house in the central part of said district, to wit: Block 7, Walker's Addition to the City of Evansville, can be purchased for a reasonable price, and would be a suitable and convenient place for the erection of a school house, and that it will cost about the sum of \$2100.00, to purchase said ground, and that he thinks that a school house ought to be erected in conformity with the neighborhood and surroundings, of a value of not less than \$10,000.00.

He further shows that the funds now on hand together with the amount of assessment for the current year, are insufficient to defray the cost of the purchase of said grounds and the erection of said building, for these and other expenses chargeable to said fund, and that it will be necessary for him to incur an indebtedness for the entire amount of said real estate and building.

He further shows that in pursuance of Section 6007, R. S. 1881, he, on the 11th day of November, 1891, posted notices in five conspicuous places in said Township, showing that this petition will be presented at the present term of this Court, asking that an order authorizing him to incur said indebtedness, and a copy of said notice is filed herewith.

He therefore respectfully petitions the Court that an order be passed granting him permission to purchase said real estate, and erect said building and incur the indebtedness therefor.

Fred G. Decker.

Subscribed and sworn to before me, this 8.
day of November, 1891.

Seal

Charles Decker
Notary Public.

And said Fred G. Decker, also files a copy of the notice by him given, as follows to wit:

Notice.

Notice is hereby given that the undersigned trustee of Pigeon Township, Vanderburgh County, State of Indiana, will at the December Term, 1891, of the Board of Commissioners, of said County, apply to said Commissioners, for an order, authorizing him to incur an indebtedness of twelve thousand dollars (\$12,000.00) for the purpose of

Sec. Term, 1891, Wednesday the 16 day of December A. D. 1891.

purchasing the following described real estate, in Vanderburgh County, State of Indiana, to wit:

Block seven (7) Walkers Addition to the City of Evansville, and erect a school house thereon, said Block being near the intersection of Kellar street and Fulton Avenue in Blaukenburgh.

Fred G. Decker.
Trustee.

Nov. 11, 1891.

This notice was posted at the following public places on Nov. 11. 1891. as shown in the Record Book of Pigeon Township Page 294. Court House. Block seven Walkers Addition near Blaukenburgh. office of Trustee. School House No. 2. Pigeon Township, and Salt Wells Bridge crossing Pigeon Creek at West Maryland Street.

Fred G. Decker.
Trustee.

The verified petition of Fred G. Decker, Trustee of Pigeon Township, Vanderburgh County filed in the office of the Auditor of said County on the 14th day of December 1891. having been examined, and considered by the Board, the prayer thereof is granted, and the said Fred G. Decker as Trustee of Pigeon School Township of Vanderburgh County Indiana, a school corporation in said County, is hereby authorized to incur an indebtedness for and in behalf of said School Township, of not exceeding twelve thousand dollars. (\$12,000.00) for the purpose of purchasing ground for erecting and furnishing a school house in said School Township. For said indebtedness he is authorized to issue bonds for such amounts severally, as he may deem best, to mature in not exceeding five years, from the first day of September 1892, bearing not exceeding six per cent interest per annum interest payable semi annually. x

In the matter of }
 the Kolb Ditch } Petition filed; Viewers Appointed,
 Knight Township: }

Comes now James D. Parvin Auditor and presents the following petition, which was filed in his office on the 8th day of December 1891. to wit:

To the Honorable Board of County Commissioners
 of Vanderburgh County.

Gentlemen:-

We, the undersigned, land owners in Knight Township, Vanderburgh County, Indiana, whose lands will be liable to be affected or assessed for the expense of constructing the ditch hereinafter prayed for, respectfully petition your honorable body to locate and establish a ditch, commencing on the east line of the land of John and Andrew Kolb in the south-west Quarter of Section Thirty one (31) in Township Six (6) South, Range Nine (9) West, at a point about eighty eight rods from the south line of said Section, and running thence in a north-westerly direction through the lands of Fred Titzer, Peter F. Thompson, W. G. Clark, Anna D. Clark, W. G. Clark, Samuel B. Fickas, and Elizabeth Fickas, until it strikes the Grainger Ditch at a point on the Washington

Board of Commissioners, Vanderburgh County,

Avenue Road, being the line of a private ditch which now extends between the points above referred to, the intention being for the proposed ditch to follow the course and line of said private ditch, the same being well defined along the line of the proposed ditch; and petitioners say that said ditch will be of public benefit and utility because it will drain a large amount of land which is not now well drained and that it will carry off the waters of such lands and be conducive to public health, convenience and welfare, wherefore petitioners ask that viewers be appointed to view the proposed ditch and report as to its utility.

Witness our hands this 11th day of September 1891.

John Kolb
Andrew Kolb.

And said petitioners also file their bond to the satisfaction of the County Auditor, as follows, to wit:

Know all men by these presents, that we, John Kolb as principal and Wm Rahn Jr. all of Vanderburgh County and State of Indiana, are held and firmly bound unto the State of Indiana, in the penal sum of One hundred Dollars, for the payment of which we bind ourselves, our heirs, executors and administrators jointly and severally firmly by these presents.

Witness our hands and seals this 7th day of Dec. 1891.

The condition of the above obligation is such, that, whereas the above bounden John Kolb under the provisions of an act, entitled "An Act to enable the owners of wet lands to drain, etc." approved March 9th 1875 did this day file in the office of the Auditor of said County, their petition to the Board of Commissioners of said County, for the establishment of a ditch, drain, or watercourse, on the following route to wit:

commencing on the East line of the land of John and Andrew Kolb in the South West Quarter of Section Thirty one (31) Township Six (6) Range Nine (9) West, at a point about eighty eight rods from the South line of said Section and running thence in a northwesterly direction through the lands of Fred Titzer, Peter F. Thompson, W. G. Clark, Annie D. Clark, W. G. Clark, Samuel R. Fickas, and Elizabeth Fickas until it strikes the Granger ditch at a point on the

Approved by me this 8th day of Dec. 1891

James D. Parvin, Auditor.

And the Board having duly considered said petition and being satisfied that the same is in conformity with law. On motion it was ordered that John Miller, Christ. Seibert and Fred. Werkman, resident householders and freeholders of said County, and not of kin to any of the parties interested therein, and in no way interested in said ditch, be and they are now appointed viewers of said ditch, that they meet at the office of the County Surveyor on Monday the 18th day of January 1892, at 10.00 clock a.m. and having duly qualified, proceed to view said ditch, as required by law, and make their written report, and file the same in the Auditor's office on or before February 8, 1892, and it is further ordered that the Auditor certify a copy of this order to said viewers.
