Re: Blight Elimination Program- Notice of Hearing

---

The City of Evansville applied to Indiana Housing and Community Development Authority's ("IHCA") Blight Elimination Program ("BEP"). Recipient received a Blight Elimination Program award. Working in conjunction with Y & E Inc., Wade Flake and IHCA, we intend to acquire and demolish the following residential structures should the Recipient have adequate surplus funding within its award:

306 Ridgeway Avenue

415 N Barker Avenue

The goal of the Blight Elimination Program is to reduce the number of blighted and abandoned homes in our community and neighborhoods. We believe the acquisition and demolition of these structures will stabilize neighborhood property values, prevent avoidable foreclosures, and assist us in our efforts to keep our community and neighborhoods safe. We invite you to attend a public hearing at 8:30 am, Wednesday, January 22, 2020 in Room 307 of the Civic Center Complex at 1 NW MLK Jr Blvd, Evansville, IN to discuss the Blight Elimination Program.

If you have questions about the properties listed in this Notice, please contact Jane Reel at 812-436-7823. If you have questions about the Blight Elimination Program, please feel free to visit <http://www.877GetHope.org/blight>.
